At University I studied Psychology and Political Science with a plan to become a lawyer. I found my calling with accounting and received my professional accounting (CPA) designation. While I worked for a Public Accountant most of my career was spent working for the Ontario Government. I had a wide variety of rolls including Tax Auditor, Fraud Investigator and Internal Audit. In the latter part of my career I worked on special projects, assessing compliance with policies and procedures, operating efficiencies and financial compliance.

Within the Knights of Columbus I have held various positions including 3 years as Council Treasurer, 5 years as Grand Knight, 4 years as Treasurer for the Toronto Eastern Zone, Faithful Comptroller, 4 years as District Deputy and 2 years as Chair of the State Lottery Committee. I have also acted as the auditor for the Rosary Path at Mary Lake Project and have been active in Parishes as a lector, Eucharistic Minister and on the finance committee.

Outside of the Knights I have held roles as the President of the Sudbury International Alliance of Theatrical Stage Employees; Chair of North Bay Certified General Accounts, board member of the North Bay Red Cross and Treasurer of AMAPCEO the second largest union in the Ontario Government.

Over the past number of years I have been very vocal at our Conventions fighting for improvements to disclosure of financial information; and other policies and procedures. I believe that the time is right for me to join the State Board to continue this work. It appears to me that there is an increasing tendency to ignore the Brothers and dictate what we are to do. I believe as a fraternity and in keeping with our core value of Unity that "WE ARE THE KNIGHTS".

I want to be on the Ontario State Board and represent you, my Brothers. I believe that consultation is paramount and democracy must rule. Major decisions must be made by consultation not dictating. The views of the membership are very important. I also believe that information should be shared and must be open and transparent. I don't have all the answers and I would rather have many views to consider and use them to make decisions. A leader must listen to their followers and consider their views. After listening a good leader will direct and not decree.

Remember that "We are the Knights."
