My Brother Knights,

This year has been a difficult one due to the labour disputes with the schools across the province and that made it very difficult for many councils to conduct Free Throw competitions.

On behalf of the Ontario State Board and Community Program Director, Bro. Earle DePass, I thank all councils who still managed to participate in the Free Throw Program this year. We still managed to have approximately 260 councils participate in the program throughout the province.

Let's congratulate all the participants that started at the Council level, over 32,000 province-wide and especially those who placed in the top three spots at the State/Provincial Level.

Thank you to all my Bro. Knights that volunteered their time and put so much hard work into the Free Throw Program at each level. This event is one of the more successful programs that our organization runs as seen by the level of participation.

Anthony Viresi
Ontario State Free Throw Chairman

"In Service to one, In Service to All."
