### Recommendations under COVID circumstances

- **Refrain from selling tickets** until we all receive the "all clear" signal regarding the COVID 19 pandemic from the Chief Medical Advisor for Ontario.
- Please keep all unsold and sold tickets in addition to the sale proceeds in a safe location.
- **Please do not send any parcels with your receipt of sales to the Ontario State Office until further notice.** We will advise you when you can do so.
- Please note that when sales start up again you will have to physically change the date of the draw on each ticket sold. **You may wish to do this ahead of time.** For consistency we would ask that you cross out the date and neatly enter the 30 October 2020 on each ticket.

Note that the State Office staff have been working from their respective residences as of March 25, 2020. With remote access to all our files, the membership should not see any change in the

standard level of service. Phone calls, emails and mail will be answered as per the normal method.
