On behalf of the State Board and our Membership in Ontario, a special Thank You to the Awards Committee for all the time and effort you have put in with the selection of the Knights of Columbus Awards.

So many of our members work hard and give of themselves so our Order can be successful and bear fruit, and your dedicated contribution proves to be a very important gesture towards recognising our Brothers who give the best of themselves constantly.

Recognising and rewarding our Knights helps, as it empowers the act of giving and the act of compassion.

Thank you for what you do, and a job Well Done.
