The screenshot shows the Office 365 dashboard interface. At the top, the browser address bar displays the URL <https://www.office.com/?auth=2>. The dashboard header includes the "Office 365" logo, a notification bell with a red "1", a settings gear, a help question mark, and a user profile icon labeled "G9". A white "Install Office" button is visible in the top right. The main content area features a "Good afternoon" greeting and a row of application tiles: Outlook, Kaizala, Whiteboard, MyAnalytics, Calendar, People, Tasks, Add-Ins, and All apps. A green arrow points to the Outlook tile. Below this row, a yellow highlight contains the text "Click Outlook to check your inbox and to send email". The "Calendar" section is partially visible, showing the date "Tuesday, July 7, 2020" and a navigation bar for the week of July 7 to 13, 2020. A red "New Event" button is located in the bottom right of the calendar area.
