MEMORANDUM

To: Grand Knights, District Deputies and Regional Directors
From: Bro. Sean Adams - Chairman, Ontario Substance Abuse Poster Contest
Copies: Ontario State Deputy, Director Community Programs, Directors
Date: 2021-02-12
Subject: The Schedule of the Ontario Substance Abuse Poster Contest

Brother Knights,

I am pleased to inform you that several councils have continued to support the Substance Abuse Poster Contest in these uncertain times of Covid-19 and school lockdowns. Several Grand Knights and District Deputies have reached out to me to explain that the school lockdowns have affected their ability to collect completed submissions, even with the revised dates announced in early January 2021. Understanding that we want the poster contest to thrive in our schools in the future, Ontario State has agreed to a second extension of the submission dates.

The following is the revised submission schedule:

Councils receiving posters for evaluation.	April 15, 2021
Council due date and forward to District Deputy.	May 1, 2021
District Deputy to Regional Chairman is one exists.	May 15, 2021
District Deputy or Regional Chairman posting to the Chairman.	May 22, 2021

*(Note: All entries must be received by **June 1** to permit the State level evaluation)*

Final entries (including entry forms and posters) are to be sent to my mailing address.
