August 10th, 2021

Worthy Grand Knights and Financial Secretaries,

I want to point out the locations on the State website to find additional information regarding the online 50/50 raffle including memos and sales charts. I plan to update the sales progress charts on a biweekly basis.

Links to bookmark include:

The rules and charities we support with our license (<https://ontariokofc.ca/programs/50-50-affle/>)

Winners (<https://ontariokofc.ca/programs/50-50-affle/2021-50-50-affle-winners/#Winners>)

Updates & memos (<https://ontariokofc.ca/programs/50-50-affle/50-50-affle-updates/>)

Sales by Councils (<https://ontariokofc.ca/programs/50-50-affle/50-50-affle-updates/50-50-affle-sales-by-councils/>)

Continue to promote your council's URL link to your members and ask them to share with their family and friends. Remember that it will require persistence to catch people's attention and eventually achieve better sales for your council. The next early bird draw is September 1st and the final grand prize draw on September 30th for Q3. Keep these dates in mind when you advertise your council's URL link.

If your council has determined which charity you plan to support from your share of the funds from this online 50/50 raffle, then maybe it would be beneficial for you to mention this to your members and supporters when you ask them to support our online 50/50 charities raffle.

Fraternally,

David Gelinas
State Treasurer
