Together

we pray

O Holy Mary,
Our Lady of the Cape,
we come before you
trusting in your intercession.

We rejoice to call you Mother of God,
Mother of the Redeemer,
and Mother of the Church!

As disciples of your Divine Son
and Knights of Columbus,
we renew our dedication to serve the Church
by bearing witness to our faith
and caring for those in need.

We turn to you, Mary our Mother,
and confidently place our needs before you.

(here, particular needs can be mentioned)

Holy Mary, hear our prayers
and bring them before the throne of grace.
Draw us closer to your Son, Jesus Christ.
and make us faithful sons of the Church.

Blessed Michael McGivney, pray for us!

*Prayer composed by KofC Ontario State Chaplain,
His Excellency Bishop David Douglas Crosby (O.M.I.)*

What to do with your Council's URL code

Assign raffle chairman to this project

Email (**bcc**) your members minimum of once/month

Insert your poster in emails, council & church bulletins

Printed posters with new QR code allow people to use smart phone camera to purchase tickets

Display URL link in Council, District and Diocesan websites

Display URL link on social media (ie: Facebook, Twitter etc). Requires more frequency to remain in their eyesight.

Invite your members to support and purchase tickets. Ask them to share URL link with family, friends and co-workers & ask them for their support.

What to do to achieve SUCCESS

Doesn't require much time each week or month but it does require persistence.

Councils that consistently display their URL link and QR code will achieve better results and greater profits.

It's all about your marketing skills to get others to notice your Council's URL link or QR code or raffle poster.

Benefits

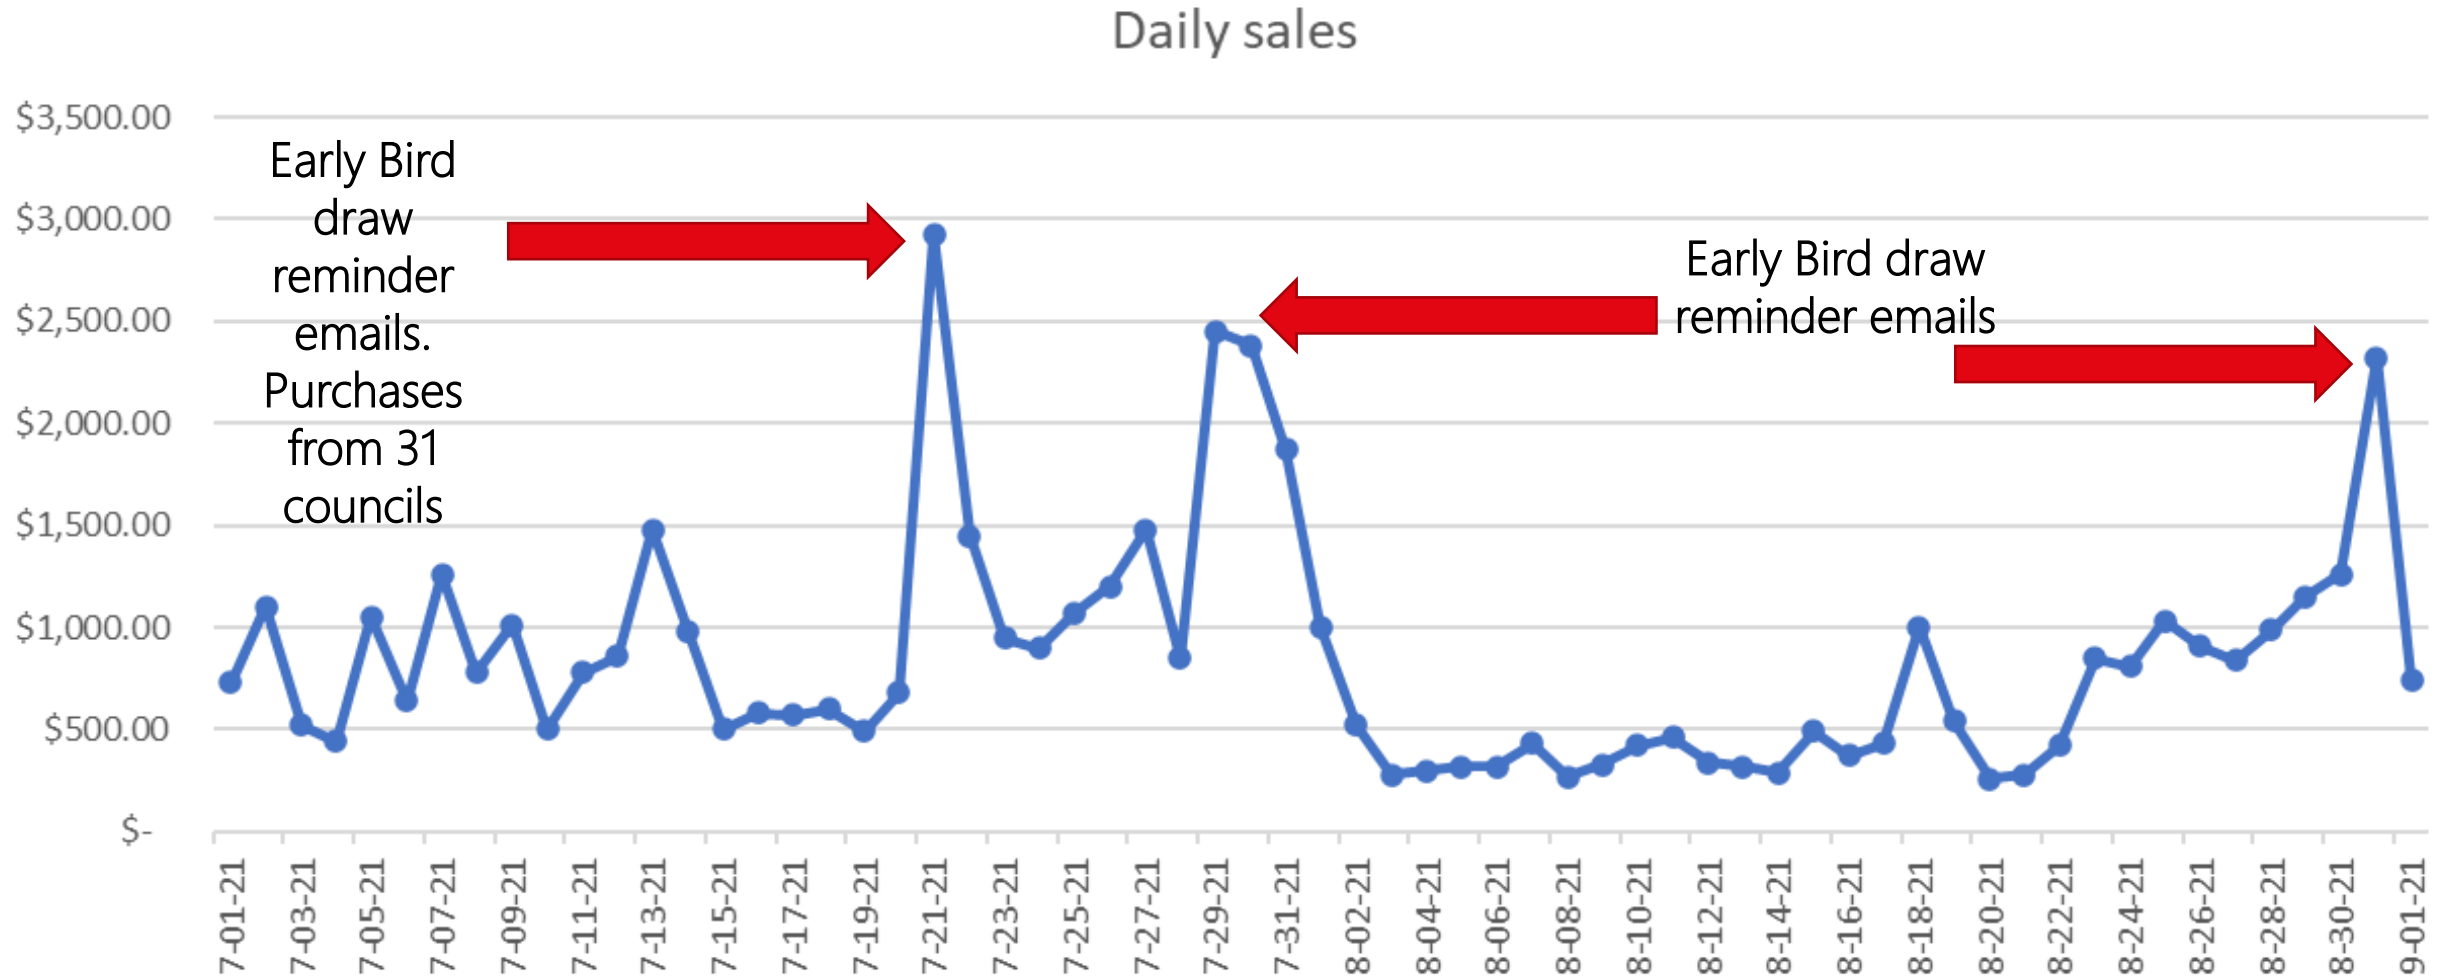

Does not require scheduling people to sell tickets in public locations and at council events.

People can purchase tickets around the clock even when you are at work and sleeping (available 24 hrs).

Can raise charity funds even during a pandemic.

Profit cheques paid quarterly.
