September 1<sup>st</sup>, 2021

Worthy Grand Knights and Financial Secretaries,

As we enter the last month of the State Q3 online 50/50 raffle, everyone must continue to promote your council's unique URL code as we get closer to that final draw on September 30<sup>th</sup>.

October 1<sup>st</sup> is the launch of the fourth quarter (Q4) 50/50 raffle, and we are looking for more councils that wish to participate in the State online 50/50 raffle. It's easy to participate and requires very little time compared to the amount of work related to the previous paper based lottery ticket sales. Just send an email to the State office and indicate your council wants to join in the fourth quarter online 50/50 raffle ([stateoffice@ontariokofc.ca](mailto:stateoffice@ontariokofc.ca)). Please do this by September 15<sup>th</sup>. We plan to provide an online training session one evening in the last week of September. Look for the date of this training in a future newsletter report this month.

For the 220 council's currently participating in the online 50/50 raffle you do not need to register again to participate in the next Q4 raffle or any future quarter raffle. Your council's unique URL link will continue to work, and sales tracked by the Ascend software.

Don't forget to look back for the sales progress charts on a biweekly basis.

Updates & memos (<https://ontariokofc.ca/programs/50-50-raffle/50-50-raffle-updates/>)

Sales by Councils (<https://ontariokofc.ca/programs/50-50-raffle/50-50-raffle-updates/50-50-raffle-sales-by-councils/>)

Remember, when we send your council's share from the profits of the online 50/50 raffle each quarter, you must deposit it into your council's charity account.

Fraternally,

David Gelinas  
State Treasurer  
50/50 Online Raffle Director
