## ONLINE MEMBERSHIP REQUIREMENTS

- Every man who joins online needs to access [kofc.org/joinus](http://kofc.org/joinus) from a compatible device, personally completing the online application, testifying to all the attestations, and submitting the online application himself.
- When possible, the member should use his own compatible device.
- The member must use his own valid email address when completing the online application.

# The Knights of Columbus Online Membership

## ONLINE MEMBERSHIP PROCEDURES

When a new member joins online, it is important that proper procedures are followed and eligibility requirements are met to process his application. When joining online, the requirement is that each new member must sign up himself. Online membership is a way for men interested in joining the Knights of Columbus to do so online, it is not to be used as a data entry system to enter new members from form 100s, prospect cards or parish lists. Online Membership requires a member to join with full knowledge, consent, and active participation in the process. If an individual does not truthfully answer all the application declarations, his membership is considered void.

# The Knights of Columbus Online Membership

## WHAT IS NOT ALLOWED

- Completing the online application for a prospective member even if he has asked you to do it for him.
- Collecting information for a prospective member from a form 100 or prospect card and using the information to sign someone up for online membership.
- Creating an email address for a prospective member so he can complete the online membership process.

# The Knights of Columbus Online Membership

## ONLINE MEMBERSHIP – BEST PRACTICES

It is desirable to solicit membership in the Order at large recruiting events (such as Delta Church Drives, Men's Conferences, Fraternal Benefits Seminars, etc.), and offering online membership is a viable way to do this. Council members staffing these events may help men join online by following these guidelines:

- Council members should make every effort to have the prospective member complete the online membership with his own device, however council members are permitted to have their own device available for the

prospective member to use as long as the above requirements are met.

- In order to avoid any disruption in the online membership process, when a council plans on participating in an event like this, or recently has had multiple members join from a council member's device, please notify the Supreme Council before the event (ideally) or soon after the event. This will ensure that we understand the reason for multiple IP addresses that will (or have) been used for multiple online memberships. To notify Supreme send an email to [councilgrowth@kofc.org](mailto:councilgrowth@kofc.org).

Since 1882, membership in the Knights of Columbus has been open to men 18 years of age or older who are "practical" (that is, practicing) Catholics in union with the Holy See. Since that time, the Knights of Columbus has understood "practical catholic" to mean a Catholic who accepts the teaching authority of the Catholic Church on matters of faith and morals, aspires to live in accord with the **precepts of the Catholic Church**, and is in good standing in the Catholic Church.

## UNASSIGNED ONLINE MEMBERS LIST

- Unassigned members can be found on the State Council's Prospect Tab.
- The goal of Ontario State is to assign these unassigned online members to councils in their area (based on parish or postal code). The E-Membership Director can assign these members to a council's Prospect List.
- The MIOs and DDs assist in determining the best council for the member.
- Councils will need to use a Form 100 or online Form 100 to add any unassigned members to their roster after taking their exemplification.
