Worthy Grand Knights and brothers,

I did not send out sales progress charts and graphs mid month because I was focused on the preparations for the State convention and with Easter with the family, it just slipped my mind. I'll have sales charts and graphs next week to reflect the entire month of April.

The State Board provided a special convention draw for those attending the State convention last weekend. Those who purchased 50/50 raffle tickets between Friday and Sunday mornings received ballots toward \$50 restaurant gift card.

The 4 winners include;

DD Dennis Mailloux Council 9222

GK Leo Mayer Council 11164

GK Patrick "Paddy" Byrne Council 2775

DGK Richard Blyth Council 2775

Congratulations brothers.

One of the topics during new business at the convention was the use of personal credit cards for online purchases at Supremes' Knight Gear. Some knights offered advice to forget trying to get a credit card in the name of the council, which many banking institutions won't provide for NFP organizations such as our councils. These knights gave us examples of secure cards or reloadable credit cards which would simplify everything with the use of these prepaid credit cards. This will help those who don't want to use your personal credit card for purchases at Knight Gear. Anyway, it's a suggestion from other knights that are using these type of reloadable prepaid credit cards. You'll have to check with your banking institution for complete details on what they can provide to you.
