**Work History:** SK Earle DePass has over 40 years of technical experience within the Canadian Federal Public Service, in various technical roles, while working for Transport Canada. His main role has always been to ensure the safety and technical integrity of the Air Navigation System in Canada. SK Earle is currently a Civil Aviation Safety Inspector working with drones of all shapes and sizes. The experience that SK Earle has, combined with the many positions he has held, has given him the experience to manage and lead teams while working closely with others. Earle is a commissioned officer (Captain) within the Cadet Instructor Cadre (CIC) of the Canadian Armed Forces and a graduate from a diploma in Electronics Technology program (Newfoundland). Earle has extensive knowledge and experience in the maintenance and installation of Communications, Navigation, Surveillance and Air Traffic Management systems used for Canadian Air Traffic Control. SK Earle is very personable, has excellent management, leadership and communication skills and is very experienced in the training of adults. He speaks English, French, and Spanish.

**Goals:**

1. Work together with our councils to re-invigorate our councils post-pandemic,
2. Work with councils based on their needs,
3. Help to maintain and increase communication within KofC councils,
4. Promote unity and diversity. We need each other more than ever (post pandemic), but every council is unique,
5. Reinforce the importance of the KofC in society. We are proud to be Knights of Columbus. We can influence the culture.

**Reason(s) for running in election:** To further work with the Ontario KofC in support of our Order.

**Community Involvement:** SK Earle has been happily married to Francine for over 37 years and they have three adult offsprings. Earle has been an active member of the KofC since he joined the Order in 1997. He has held many Council and Regional positions including; Grand Knight, District Deputy (4 years) and Director of the Diocesan Association of Alexandria-Cornwall.

As an aircraft owner, scuba diver (PADI), a leader within the Royal Canadian Air Cadet Program, an active recreational (power and glider) pilot and Captain of the Canadian Owners and Pilots Association (COPA) Flight 59 (Cornwall), all demonstrate that Earle has a passion for General Aviation in Canada.

Earle has served the State Board as; Program Director, Director of Community Programs, Director of Disaster Services and the Convention Director.

In addition to the KofC, Earle is member of Toastmasters International and an organist. Earle is very active with his family, the St. Andrews Catholic Church and his community.
