My Brother Knights,

This fraternal year has been difficult for obvious reasons. Many school boards across the province were still not allowing permits to outside users or allowing tournaments to occur within their gymnasiums. Also many councils weren't ready to bounce back yet after two years of Covid.

On behalf of the Ontario State Board and the Community Program Director, Bro. Mario Duguay, I thank all the councils who still managed to participate in the Free Throw Program this year. We still managed to have over 100 councils participate in the program throughout the province. Let's congratulate all the participants that competed province-wide and especially those who placed in the top three at the State Level.

I want to take this final opportunity to thank all my Bros. Knights that volunteered their time and put so much hard work into the Free Throw Program at each level of competition; this year and over the past 5 years. This will be my last year as your State Free Throw Chairman and it was a privilege for me not only to work on such a wonderful program, but also to work with such a wonderful group of men. Everyone from the Regional Chairmen to the Brothers who helped with ball retrieval, you helped make this one of the more successful programs within the Knights of Columbus. I hope you all continue to give your time and efforts to the program for my replacement in the next fraternal year as you did for me.

Thank you again, keep well and I hope to see you around.

Anthony Viresi
Ontario State Free Throw Chairman
