Worthy State Board Officers, Brother Directors, MIOs, and District Deputies,

As we embark on the agenda of this District Deputy Workshop, I begin by extending my sincere gratitude for the privilege to serve as your State Deputy. I am both humbled and thrilled to be part of our tight-knit Order that has a profound global reach.

Our world is rapidly changing, facing numerous challenges such as peacekeeping, sustainable development, technological advancement, public health, climate change, and inequality.

These are not concerns that can be confronted single-handedly. Imagine a soldier embarking on a war mission against a formidable enemy – alone. Such an act would indeed be folly. Now more than ever, we need each other, and we need the unity that the Knights of Columbus offer. As the author of Hebrews advised, "*Not forsaking our assembly, as some are accustomed; but comforting one another, and so much the more as you see the day approaching.*" (He 10:25, Douay Reims Bible).

This weekend, as leaders of the Order in Ontario, we come together to gain wisdom and knowledge from this District Deputy Workshop. Our objective is to remain at the forefront of developing innovative solutions, preparing our skilled Catholic men as leaders to collaboratively tackle these shared challenges through our programs.

I eagerly look forward to partnering with each of you this weekend and in the ensuing months, as we stride towards our shared vision of a more prosperous and secure future. Our mission is to assist Catholics, young and old, in building a better society where their families can thrive freely in a world of greater prosperity.

In Jesus and Mary, I remain,

Faternally

Bruce S. Poulin
State Deputy
