PAUL PERRY
REGIONAL GROWTH DIRECTOR

Welcome to Half Time!

- ▶ Every team during half time or between periods assesses what went right and what went wrong
- ▶ Planning is key to any organization's success
- ▶ There is no better communication than face-to-face
- ▶ Be the “go to” person for each of your councils.
- ▶ You have been appointed because your State Deputy saw qualities in you
- ▶ You want to leave your district and council better than you found them.

Knights are there when needed

We need to promote what we do: not for accolades, but because people need to know!
