Work History: Employer - Fiat Chrysler Canada (retired), Windsor

Family: Married to Lori 32 years, blessed with 2 daughters, Taylor 30 and Kelcie 28.

Goals: I promise to continue to support the Councils in Ontario and State board officers to utilize my skills to help guide the Order in Ontario for the next decade and beyond. I understand our Councils will continue to face difficulties as they prioritize and strive to grow while facing more men that do not wish to be witnesses to their faith, along with a society that continues to ridicule Christians and Catholics, governments that pass laws that challenge our faith and our beliefs, all while our membership and current leadership grows older and executive positions are a challenge to fill all around Ontario. I hope to help the State board develop realistic goals and strategies to help councils survive these difficulties. We cannot continue only with our methods of past practice and expect productive results today, but we must develop more leadership training and support and provide new programs that will intrigue and attract a diverse new generation to join our Order.

Reason to run for election:

My experience in every level and aspect of the Order in Ontario (Council, District, Squires, 4th degree, Association, State Director & State Officer) has developed and honed my leadership skills to help other leaders in the Order. I have demonstrated my commitment and passion, my focus, my reliable work ethic, and my ability to multi-task various portfolios successfully while giving a very large portion of my time to the betterment of the Order. I have understood that joining the Knights is an experience of a lifetime and I have taken that statement to heart and continue to treasure the relationships with the men and ladies I have met along my journey.
