Work History - retired fin 2009 from General Motors Oshawa (30 years Service) - various assembly jobs, press operator and Union Steward
 - currently self-employed for the past 12 years as a residential contractor

Goals - to be the voice of my Brother Knights at the State Board level when decisions are being made keeping in mind our valued traditions but encouraging innovation and creativity when warranted
 - to encourage better communication with Supreme highlighting the differences between Canadian & American jurisdictions so our concerns are heard when decisions are being made.
 - to share my personal faith and growth experiences that have resulted directly from my membership in the Knights of Columbus to non-members to encourage growth in the Order
 - to better recognize all the Knights that volunteer at the local Council level and for their dedication to their local communities.
 - to continue to live my life remembering that "I AM THIRD" - God is First, My neighbor is Second and I am Third

Reasons for running in Election - After finishing my two year terms as State Warden (2019-2021) and State Advocate (2021-2023) I would like to continue serving on the State Board and finish my 2nd year as State Treasurer... Being able to continue serving you all as the State Treasurer would be a great blessing. Joining the Knights of Columbus almost 24 years ago was one of the best decisions I made in my life. I always encourage other men to join and grow in their faith and experience all the life changing blessings that membership in the Knights has to offer. My leadership skills have been enhanced by the opportunities I have been given in the various positions I have held in the Knights of Columbus. I firmly believe that these skills would be an asset to the State Board. Putting these skills to use, to serve you the membership, will allow me to participate in making the tough decisions, always remembering that all decisions must be made for the "Good of the Order" and not for personal gain.

Over the years, I have been honored to be asked to represent the State Board in various roles and positions always undertaking these requests with diligence, dedication, efficiency, and in a professional manner. I have been asked to attend and give my input at State Board Workshops including "Faith in Action", "Safe Environment", "Struggling Councils", "Membership Recruitment and Retention". Over the past 18 years, I have attended every District Deputy meeting and I am presently acting as the State Squire liaison overlooking the Squire program in Ontario. Serving as the State Warden for two years my responsibilities included: hosting the State Board Hospitality Suite, New Council Development Director, and presently the State Squire Liaison. Serving as the State Advocate I was able to assist councils with constitutional questions they had regarding the running of their council. As the State Treasurer I am responsible to collect outstanding dues and sign all expense forms. Through the various activities I have been given the opportunity to run as a Knight I have met many Brother Knights across the Province. I cherish all the valuable lessons you have shared and taught me. These encounters along with the full support of my wife, Tricia, and our 5 children have inspired me to continue my journey on the State Board and run for the position of State Treasurer for 2024. I feel that my two years experience as the State Warden and two years as the State Advocate and one year as State Treasurer has given me the ability to fulfill my promises I made to you five years ago. My greatest hope is to be able to take all your ideas and concerns and combine them with my leadership skills, experience and enthusiasm so that together we may continue to grow the order in the direction that Blessed Fr.McGivney would be proud of. Vivat Jesus!!!
