2023-2024 Awards Booklet

April 26-28, 2024

*Celebrating 125 years
of service in 2025 !*

Dear brother Knights,

It's a profound truth that while all forms of life reach toward their fullest potential, we, humans, sometimes falter. Unlike trees, which never cease to stretch towards the sky until they've achieved their full growth, humans possess the freedom to choose to either stop trying and become a fraction of our possibilities or to embrace our potential.

This past year, guided by visionary leadership and steadfast mentorship, our brotherhood has embarked on a journey of transformation. We've overcome challenges not only in expanding our Councils and enhancing our services but also in achieving remarkable growth. This progress stems not from mere fortune but from our collective determination to navigate wisely, making the most of the opportunities before us.

In this spirit of celebration and recognition, our awards program today, led by the esteemed Brother Dan Lohin and our dedicated selection committees, shines a light on those among us who have exemplified this philosophy. These individuals have not only adjusted their sails in the face of adversity but have also actively put their faith into action, making significant contributions to our cause. It is our hope that by honoring these tangible examples of virtue and service, we can all be inspired to acknowledge and unleash our own inherent greatness.

Remember, investing in our future means contributing well beyond any immediate rewards. It is through such dedication and generosity that we enrich both ourselves and our brotherhood.

Fraternally,

A handwritten signature in green ink, appearing to read 'B. Poulin'.

2023-2024 Canadian Wheelchair Foundation Award

Since 2006 the Order in Ontario has been a vital part of the Global Wheelchair Mission Program. Every year a small delegation accompanies a shipment of wheelchairs to their destination to personally help with their distribution. Recently, wheelchairs have been delivered to citizens of all ages in Mexico, Costa Rica, Dominican Republic, and Panama who otherwise would have had no means of getting a wheelchair.
