Historical Restorations

What are we planning to do better???

- ▶ We are unblocking State-wide communication flow:
 - ▶ → MIO → DD → GK
- ▶ This requires a commitment from our DDs to:
 - ▶ **Remove** any communication blocks,
 - ▶ Be available, and **make time**, for Council program work,
 - ▶ **Speak about programs** at meetings along with membership.
- ▶ The development of a practical calendaring strategy will help DDs communicate effectively with Councils

We are focusing our communication from the top to the bottom.
