I have been a member of the order for 8 years and have held many titles in the order including, Grand Knight, Faithful Navigator, District Deputy and MIO.

The reason that I am running for State Warden is to learn of the progression of the State Board to eventually become the State Deputy. In order to make a difference for all the members in Ontario is to go through the ranks and learn about each role and how to make that role my own. This will require a lot of work especially listening to the members wants and requests.

I have assisted our council in various projects over the years from raising money for food banks, hospice, coats for kids, Cenotaph project and so much more. I sit on various boards to employment and poverty in my area in my current employment.

My ultimate goal is to be a better servant in the community and a better servant in our Lord's work.

Vivat Jesus
