My name is Donny Thivierge, and I proudly serve as the Past Grand Knight (PGK) of Mother Teresa Council 12494 in Windsor, Ontario. Over the course of my 18 years of service, I have had the honor of holding various positions within our council, each one strengthening my commitment to the Knights of Columbus and the values of faith, service, and charity that we stand for.

As a Knight and a Catholic man, my mission has always been rooted in service to others. My involvement has taken many forms over the years. One of the most meaningful has been my work with ****Saint Vincent de Paul****, where I have helped provide food and assistance to families in need in our community. There is no greater feeling than knowing we've made a tangible difference in someone's life. Additionally, I have dedicated time to being a ****Catechist****, helping prepare young minds and hearts to receive their sacraments. Seeing these children grow in their faith and become active members of the church has been one of the most rewarding aspects of my journey. It's an experience that fuels my passion to continue serving others. I have also been heavily involved in ****school activities****, including our beloved BBFT (Basketball Free Throw) and my involvement with the ****school annual BBQ****. These initiatives are not just about food or fun; they are about bringing the community together, fostering fellowship, and creating lasting memories that uplift everyone involved. These events help to create a sense of belonging and support for our school families and ensure that we're living out the message of love and community that Jesus Christ calls us to embody.

My goal is to continue serving with the same dedication, passion, and love that I have for the past 18 years. As I look ahead, I hope to further strengthen our community by inspiring other men to embrace the role of a Knight and continue the work we do in making a positive impact, not only in our church but in the wider community.

Thank you for the opportunity to serve, and may God bless each of you as we move forward in faith and service.
