## 2024-2025 Awards Booklet

**April 25-27, 2025**

*Celebrating 125 years  
of service in 2025 !*

Dear brother Knights,

For a long time, charitable programs were done almost exclusively by religious orders. Monks, nuns, sisters and brothers, who had taken a vow of poverty, helped others in need. Since the 1960s, many charitable programs have been inverted charity into a business – but not the Knights of Columbus! Feeding bellies and starving souls is anathema to the Knights which is why our Faith in action programs come with the distinct purpose of Catholic charity which is to draw souls to Christ.

This past fraternal year, guided by visionary leadership and steadfast mentorship, our brotherhood has embraced a two-year journey of transformation. We've overcome challenges not only in expanding our Councils and enhancing our services but also in achieving remarkable growth. This progress stems not from mere fortune but from our collective determination to navigate wisely, making the most of the opportunities before us.

Every program is an opportunity to actualize our Québec+1 Strategic Action Plan. Our programs are the only place this happens – not at the state office in Hamilton, nor during our local Council meetings amongst ourselves. This kind of execution only happens in the field, when our members interact with their communities.

In this spirit of “our Father is welcoming and this is our homecoming,” we are gathered to recognize, our awards program led by our esteemed Brother Dan Lohin and our dedicated selection committees. Let us shine a light on those among us who have exemplified this philosophy in our communities together at our State Convention. It is through such dedication and generosity that we enrich both ourselves and our brotherhood and contribute to our legacy for the next 125 years!

Fraternally

## 2024-2025 Canadian Wheelchair Foundation Award

Since 2006 the Order in Ontario has been a vital part of the Global Wheelchair Mission Program. Every year a small delegation accompanies a shipment of wheelchairs to their destination to personally help with their distribution. Recently, wheelchairs have been delivered to citizens of all ages in Mexico, Costa Rica, Dominican Republic, and Panama who otherwise would have had no means of getting a wheelchair.

Lady Zoye and I take great pleasure, on behalf of the Ontario State Council officers, and the more than fifty-six thousand members and families they represent, in extending our warmest congratulations on a job well done!

This year's awards competition was exceptional in both its nominations and selections which is a testimony to your passionate commitment to recognize our brothers, who tirelessly work towards the overall success of the Order in Ontario.

Once again, we send our thanks to each of you for your unselfish contributions toward making this event a success.
