District Deputies' Convention

Sheraton Airport Hotel

Dear State Board Officers, Chairmen and District Deputies,

I'm happy to bring you greetings as you gather for this important annual convention. Every new fraternal year gives us all an opportunity to refocus our energies and work together for the common good of our Order. This exercise is furthermore important when a new State Board of Officers plan and coordinate the upcoming year. Under the leadership of our new State Deputy David Peters, I call upon your support and collaboration so that we may create a positive team spirit. It truly requires an intentional effort on the part of every member and especially from those imparted with a responsibility.

May you all call upon the assistance of the Holy Spirit, so that your deliberations, your consultations and your decision-making may be done with the intent to do God's will. That is a practical way of putting your "Faith into Action". You are entrusted with significant responsibilities in service to your brother Knights and their families. Don't hesitate to seek guidance from the Lord and act in such a way that others will recognize Christ within you.

I wish you all a successful and insightful convention. It is with joy that I impart my blessing upon you.

Vivat Jesus!
